INDEX OF SUBJECTS *Volume 9, 1993*

Abdominal pregnancy after hysterectomy, 85
Abortion debate, role of sonographers in, 152
Accreditation procedure, site visits by JRCEDMS in, 258
Acoustic output indices, 228, 336
Adipose tissue measurements, 11
Adrenal gland sonography in cats, 327
American Institute of Ultrasound in Medicine, statement on bioeffects of ultrasound, 336
American Registry of Diagnostic Medical Sonographers
  analysis of registrant data, 185
  certification by, 206
  registry as indicator of clinical competence, 339
Aneurysm of Valsalva sinus, ruptured, 193
Appendix epiploica infarction in pregnancy, 76
Arterial grafts in lower extremity, sonographic assessment of, 307
Arteriovenous fistula at puncture site, color Doppler findings in, 297
Atrial flutter, fetal, related to maternal caffeine intake, 331

B-mode ultrasound in adipose tissue measurements, 11
Backscatter, myocardial integrated, 122
Beckwith-Wiedemann syndrome, prenatal detection of, 249
Biologic effects and safety of ultrasound
  acoustic output indices in, 228
  cavitation in, 200
  heat in, 90
  statement by AIUM, 336
Book review, *Ultrasound in Obstetrics and Gynecology* (Chervenak, Isaacson, and Campbell, eds.), 159
Burkitt's lymphoma, sonographic findings in, 19

Caffeine intake in pregnancy, fetal atrial flutter from, 331
Calcified chorionic villi, transvaginal sonography of, 79
Cavitation thresholds for tissues and body liquids, 200
Certification and licensure of sonographers, 206
Chorionic villi, calcified, transvaginal sonography of, 79
Color flow imaging
  in digital artery evaluation, 241
  in focal myometrial contractions in pregnancy, 245
  in leiomyomas in pregnancy, 245
  in lower extremity arterial grafts, 307
  in puncture site complications, 297
  in rupture of Valsalva sinus aneurysm, 193
Cranial sonography
  indirect signs of spina bifida in, 140
  intracranial hemorrhage detection in ECMO therapy, 60
  subarachnoid space enlargement in premature infants, 237

Death, fetal, in monochorionic twins, 3
Diastolic function assessment, left ventricular, 312
Digital artery, sonographic evaluation of, 241
Doppler imaging
  color flow studies in. *See* Color flow imaging
  in digital artery evaluation, 241
  echocardiography
    in left ventricular diastolic function assessment, 312
    in rupture of Valsalva sinus aneurysm, 193
  transvaginal, in ovarian teratomas, 197
Dysmenorrhea from residual calcified chorionic villi, 79

Ecchymosis at puncture site, color Doppler findings in, 297
Echocardiography
  in heart transplant recipients, 116
  in left ventricular diastolic function assessment, 312
  myocardial tissue characterization in, 122
  transesophageal, in ruptured sinus of Valsalva, 193
Economic constraints in ultrasound management, 255
Ectopic pregnancy
  abdominal, after hysterectomy, 85
  twin pregnancy in, 82
Editorials, 1, 59, 115, 179, 227, 289
Education
  continuing medical education activities, 115
  and guidelines for teaching of sonography, 38
Embolism in twin embolization syndrome, 3
Equipment design, suggestions for changes in, 261
Ethical issues, and role of sonographers in abortion debate, 152
Extracorporeal membranous oxygenation therapy, ultrasound use in, 60

Feline sonography
  adrenal gland, 327
  thyroid gland, 323
Fetus
  atrial flutter related to maternal caffeine intake, 331
  Beckwith-Wiedemann syndrome detection, 249
  gallbladder evaluation, 291
  pulmonary hypoplasia prediction, 68
  spina bifida detection, 140
  twin embolization syndrome, 3
Fistula, arteriovenous, at puncture site, 297

Gallbladder
  in Burkitt's lymphoma, 19
  fetal, evaluation of, 291
Gastrointestinal tract
  in Burkitt's lymphoma, 19
  infarcted appendix epiploica in pregnancy, 76
  intestinal atresia in surviving monochorionic twin, 3
Grafts, arterial, assessment in lower extremity, 307
Growth, intrauterine
  acceleration in Beckwith-Wiedemann syndrome, 249
  retardation in twin embolization syndrome, 3

Hardcopy camera
  image distortion from, 180
  quality control for, 62

Health care delivery, role of sonography in, 289
Heart
  echocardiography in transplant recipients, 116
  fetal atrial flutter related to maternal caffeine intake, 331
  left ventricular diastolic function assessment, 312
  myocardial tissue characterization, 122
Heating
  and biologic effects of ultrasound, 90
  and thermal index of acoustic output, 228, 336
Hematomas at puncture site, color Doppler findings in, 297
Hemorrhage, intracranial, detection with ultrasound in ECMO therapy, 60
Humor in work place, prescription for, 88
Hydronephrosis, transient, caused by full bladder in pregnancy, 334

Infection control in sonography, 136
Intestines
  atresia in surviving monochorionic twin, 3
  in Burkitt's lymphoma, 19
  infarcted appendix epiploica in pregnancy, 76

Kidneys
  in Burkitt's lymphoma, 19
  cortical necrosis in surviving monochorionic twin, 3
  nephromegaly in fetal Beckwith-Wiedemann syndrome, 249
  oncocytoma in second trimester pregnancy, 29
  transient hydronephrosis caused by full bladder, 334

Leiomyomas in pregnancy, color flow imaging of, 245
Letters to the editor, 43, 93, 160, 208, 270
Licensure and certification of sonographers, 206
Liver
  in Burkitt's lymphoma, 19
  portal vein thrombosis diagnosis, 190
Lungs, hypoplasia prediction with prenatal ultrasound, 68
Lymphadenopathy
  in Burkitt's lymphoma, 19
  color Doppler findings in, 297
Lymphoma, Burkitt's, sonographic findings in, 19

Macroglossia in fetal Beckwith-Wiedemann syndrome, 249
Management issues
  coping with economic constraints, 255
  humor used in workplace, 88
  performance evaluation of sonographers, 143
  total quality management, 202
Mechanical index of acoustic output, 228, 336
Mesentery
  in Burkitt's lymphoma, 19
  sonography of infarcted appendix epiploica in pregnancy, 76
Microcephaly in surviving monochorionic twin, 3
Monochorionic twins, fetal demise in, 3
Myocardial tissue characterization in echocardiography, 122
Myometrial contractions in pregnancy, focal, color flow imaging of, 245

Neural tube defects, sonographic detection of, 140
Newborn infants, premature, subarachnoid space enlargement in, 237

Omphalocele in fetal Beckwith-Wiedemann syndrome, 249
Oncocytoma, renal, in second trimester pregnancy, 29
Ovaries
  in Burkitt's lymphoma, 19
  teratomas of, transvaginal ultrasound and Doppler in, 197
Oxygenation, extracorporeal membranous, ultrasound use in, 60

Pancreas in Burkitt's lymphoma, 19
Parotid duct aspiration, ultrasound guidance in, 25
Performance evaluation of sonographers, 143
  and ARDMS registry as indicator of competence, 339
Phantoms, anthropomorphic, development of, 32
Photographic recording of images
  distortions in, 180
  quality control in, 62
Physicians involved in sonography, training guidelines for, 179
Polyhydramnios in fetal Beckwith-Wiedemann syndrome, 249
Porencephaly in surviving monochorionic twin, 3
Portal vein thrombosis, sonographic findings in, 190
Pregnancy
  caffeine intake in, fetal arrhythmias from, 331
  color flow imaging of leiomyomas and focal myometrial contractions in, 245
  ectopic
    abdominal, after hysterectomy, 85
    in twin gestation, 82
  fetal conditions in. *See* Fetus
  infarcted appendix epiploica in, 76
  renal oncocytoma in second trimester, 29
  and role of sonographers in abortion debate, 152
  transient hydronephrosis caused by full bladder, 334
  twin embolization syndrome in, 3
Premature infants, subarachnoid space enlargement in, 237
Prostatitis in transsexual patient, transvaginal sonography in, 73
Pseudoaneurysm
  at anastomosis site, sonographic appearance of, 307
  at puncture site, color Doppler findings in, 297
Puncture site complications, sonographic appearance of, 297

Quality control
  for photographic system, 62, 180
  total quality management of ultrasound department, 202

Research papers, writing of, 147

Safety and biologic effects of ultrasound
  acoustic output indices in, 228, 336
  cavitation in, 200
  heat in, 90
  statement by AIUM, 336
Sample Student Excellence Awards, 3, 291
Sonographers
  ARDMS registry as indicator of competence, 339
  physicians as, 179
  role in abortion debate, 152
  statutory certification of, 206

suggestions for equipment design changes, 261
survey of, 185
as teachers, 38
Spina bifida, sonographic detection of, 140
Subarachnoid space enlargement in premature infants, 237

Teaching of sonography, guidelines for, 38
Teratoma of ovary, transvaginal ultrasound and Doppler in, 197
Thermal index of acoustic output, 228, 336
Thrombosis of portal vein, sonographic findings in, 190
Thyroid gland sonography in cats, 323
Transsexual patient, transvaginal sonography of prostatitis in, 73
Transvaginal sonography
of calcified chorionic villi, 79
of ovarian teratomas, 197
of prostatitis in transsexual patient, 73
of twin ectopic pregnancy, 82
Tumors
color flow imaging of leiomyomas in pregnancy, 245
renal oncocytoma in second trimester pregnancy, 29
transvaginal ultrasound and Doppler in ovarian teratomas, 197
Twin pregnancy
ectopic, 82
embolization syndrome in, 3

Uterus
color flow imaging of focal myometrial contractions in pregnancy, 245
residual calcified chorionic villi in, 79

Vagina. *See* Transvaginal sonography
Valsalva sinus rupture, transesophageal echocardiography in, 193
Vascular technologists, survey of, 185
Vasculature
assessment of lower extremity arterial grafts, 307
color Doppler imaging of puncture site complications, 297
digital artery evaluation, 241
portal vein thrombosis diagnosis, 190
ruptured aneurysm of Valsalva sinus, 193
Vein grafts for arterial bypass, assessment in lower extremity, 307
Videotape review, *Physical Principles of Ultrasound* and *Physical Principles of Doppler Ultrasound* (Kremkau), 42

Writing of research papers, 147

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION (Act of August 12, 1970: Section 3685. Title 39 United States Code) Date of Filing—October 1, 1993, Title of Publication—JOURNAL OF DIAGNOSTIC MEDICAL SONOGRAPHY; Frequency of Issue—Bi-monthly; Annual Subscription Price—$69.00; Location of Known Office of Publication—12107 Insurance Way, Hagerstown, MD 21740; Location of Headquarters or General Business Offices of the Publisher—227 East Washington Square, Philadelphia, PA 19106; Publisher—Society of Diagnostic Medical Sonographers, 12770 Coit Road, Suite 508, Dallas, TX 75251; Editor—Jean Lea Spitz, MPH, RDMS, University of Oklahoma, College of Allied Health, Box 26901, Oklahoma City, OK 73190; Managing Editor—Todd Hummel, 227 East Washington Square, Philadelphia, PA 19106; Owner—Society of Diagnostic Medical Sonographers, 12770 Coit Road, Suite 508, Dallas, TX 75251; Known Bondholders, Mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities—none. A. Total no. copies printed (*net press run*), average 12,800, actual 14,800; B. Paid circulation 1. Sales through dealers and carriers, street vendors and counter sales, average none, actual none; 2. Mail subscriptions, average 10,756, actual 10,709; C. Total paid circulation, average 10,756, actual 10,709; D. Free distribution by mail, carrier or other means. Samples, complimentary, and other free copies, average 427, actual 452; E. Total distribution (*sum of C and D*), average 11,183, actual 11,161; E. Copies not distributed 1. Office use, leftover, unaccounted, spoiled after printing, average 1,617, actual 3,639. Returns from news agents, none; G. Total (*sum of E & F—should equal net press run shown in A*), average 12,800, actual 14,800. I certify that the statements made by me above are correct and complete. Virginia B. Martin, *Vice President, Journals*.
